

Windham Solid Waste Management District's

Bulk Compost and Soil Mixes For Sale

Brattlegrow Compost Products:

- 3/8 inch compost: \$27.50/cubic yard
- 1/2 inch compost: \$22.50/cubic yard

Upon request, we can blend a mixture of compost & loam.

10 cubic yard minimum at Windham Solid Waste Management District

 Brattlegrow Compost is great for new lawns (and repairs), and gardens. It is excellent for fertilizing and top dressing lawns and athletic fields. Our compost has been used for erosion control and for landfill/stormwater management.

 The compost is made from carefully managed residential and commercial food scraps, leaves, wood chips, and grass clippings.

For 1-10 cubic yards and for smaller amounts, please contact these distributors for pricing and delivery.
