

**WINDHAM SOLID WASTE MANAGEMENT DISTRICT
SWAP PROGRAM
2021**

GENERAL GUIDELINES

SWAP PROGRAM HOURS:

- Shopping - 1st & 3rd Saturdays of the month, 8:30-12 noon
- Donations - 2nd & 4th Saturdays of the month, 8:30-12 noon
- Swap is closed if there is a 5th Saturday of the month

Due to the need to close promptly at noon, large loads of donations may not be accepted after 11:30 am.

PURPOSE: The WSWMD Swap Program, at 327 Old Ferry Rd in Brattleboro, was created to keep as many items out of the landfill as possible and to be a free outlet for items that are still usable. The program is run entirely by volunteers.

INTENT: To make items available to all persons, and not to allow one or a few persons to monopolize the facility. Therefore, any Swap Program volunteer has the right to restrict or refuse an individual's access to the facility for whatever reason.

Items are available free to anyone, for their personal use. Dealers and metal salvagers are not allowed to use the Swap Program.

GUIDELINES:

- Use other available outlets (such as Experienced Goods, The Brattleboro Reformer classifieds, thrift and consignment shops, Front Porch Forum, Craigslist, Facebook Marketplace) before bringing items to the Swap Program.
- A Swap Program volunteer will decide if an item will be accepted before the item is left. Please refer to the list of Acceptable & Unacceptable Items.
- Acceptable items may vary depending on space and other considerations.
- If an item is not accepted, WSWMD has recycling and disposal options for most items. Published fees will apply.
- Items must be clean and in working order.
- Items should be assembled. If necessary to disassemble to transport, please reassemble at Swap.
- All items are offered without warranty of any kind.
- The Swap Program is for residential/personal use only, not commercial or resale.
- Only Swap Program volunteers will attend to the delivering vehicles.
- Only Swap Program volunteers are to be in the office and receiving area.
- Smoking is not allowed in the Swap Program building or in the immediate area.
- Idling of vehicles is not allowed.
- Visitors are encouraged to submit new ideas or suggestions to Swap volunteers or swapshop@windhamsolidwaste.org
